- Customer service

### PROFILE

Hi! I'm a web developer with over 5 years of professional experience, focused on accessible, modern, and concise design. I'm experienced in modern front-end web technologies, including React and Svelte, and can quickly learn any stack or technology introduced to me.

### EXPERIENCE

#### Freelance Web Developer

Columbus, Ohio | 2022-Present

I started Luke Shafer Web Design to help local small businesses with their web development needs. I use modern frameworks like SvelteKit and Astro to build custom, flexible, and accessible sites for my clients.

#### Implementation Specialist, TrueCommerce

Columbus, OH | 2021-Present

Designed EDI software integrations using scripting in accordance with customer business requirements, and provided personable customer service.

#### Online Coding Instructor, CodeWizardsHQ

Remote | 2020-2021

Led curriculum-based courses with students in grades 3-12, teaching coding concepts from scratch. I taught classes in Python, Javascript, and Scratch.

### PROJECTS

#### Fridge Magnets

[magnets.dev.lukshafer.com](https://magnets.dev.lukshafer.com) | [github.com/lukshafer/fridge-magnets](https://github.com/lukshafer/fridge-magnets)

Custom online multiplayer word game, and an online implementation of the card game Ransom Notes. Built with [colyseus.io](https://colyseus.io) for the game server, and SvelteKit for the front-end game UI, using TypeScript to power the full stack.

#### Personal Portfolio

[lukshafer.com](https://lukshafer.com) | [github.com/lukshafer/lukshafer.com](https://github.com/lukshafer/lukshafer.com)

My personal portfolio and a place for prospective clients or employers to view my work. Statically generated in SvelteKit and hosted on CloudFlare Pages.

### EDUCATION

#### Bachelor's, Computer Science, 2018

University of Cincinnati, Cincinnati, Ohio
